Missionaries to the people in
Korea and Beyond

A look back at
October-December 2022

Blessed to serve!!! As we returned to Korea with no church building due to covid issues, we wondered where this would all lead. The Lord is surely faithful...We have been shown that faithfulness is truly a key to serving the Lord.

It was actually exciting to recount this "odd" year of unexpectedly being in America with a whirlwind return to uncertainty in Korea. I'd say maybe one of the most fruitful years of ministry.... More solid discussions than ever.

We have had so many person-to-person Bible studies we couldn't even quantify it. Kristin has had more opportunities than ever as well. So many people wanting answers that we as Christians say we have, yet many times too busy to invest the time in the hard work. This has certainly become our passion. Making disciples...building from the ground up. Our ministry seems to be quickly expanding almost faster that we can identify and accommodate.

We have been actively working the "and Beyond" aspect of our ministry for many years now. Finally, seeing fruit in other areas. We had the privilege to travel to Thailand and Vietnam to survey Korea connected church building opportunities...please pray for these open doors!!

Ordination and future church plant...

We were able to ordain an ethnic, tribal preacher, born in Burma but ministering in Thailand...We are excited for this new ministry opportunity...Please pray for JaLāe as he and his family launch out as missionaries in Thailand. He can preach in 5 different languages and communicate in another 3. Unbelievable to witness this as he translates.... **Praise the Lord!**
