Ministry Update!

As I'm sure you all know there is a huge media scare here in Korea concerning the Coronavirus. We are certainly not fearful of the virus, but we do need to be careful not to be included in media hype or damage our testimony. Two evangelistic cults have been targeted with spreading the virus which has shut down many church meetings for several weeks.

South Korean Army mobilized to fight the Coronavirus outbreak.

Outreach Opportunities!

We have postponed our official church start day several weeks now. With this virus scare, people will not attend a meeting in a home. We are praying for a building to meet in but need to secure a new house first.

We are passing out tracts as able and have an opportunity to set up a table at a local college for their opening week. We are making 1000 welcome bags to hand out with a tract and church invitation (plus some candy).

Please Prayer For:

- Abigail in Africa helping a missionary family
- Joseph in college preparing for the ministry
- Housing- we will need to move again in a few months (30 moves in 23 years of marriage)
- Official start date of a new church ministry.
- Ministry difficulties due to the Coronavirus scare.
- Kristin and homeschooling the five at home

Family Update!

Everybody seemed to transition quickly, we all seem to be settling in well. The five children still at home are working diligently with their regular school but have also added piano, violin and viola practice.

We do also praise the Lord for our current housing. Although temporary, it has allowed the children time to explore the mountain behind our housing area.
