

# Update Letter

From the Lemon Family

Missionaries to the People of South Korea and Beyond!

Hello from Korea,

January-March 2017

Praise God for spring. This is such a wonderful time of the year here in Korea. It is a time of new growth evident by everything blooming with bright colors. Very encouraging to get out and share the Gospel, endeavoring to see everlasting growth...

## Current

As mentioned in the last letter, we had a wonderful opportunity to help out a long acquainted missionary family in Mongolia. They needed to return for a family emergency as well as visa issues; and God amazingly opened up the door for us to fill in for them. The Lord allowed us to be the ones to reap from their labor. We were able to see several saved and baptized in the 10 weeks we were there. Being an Asian country, we did not have a hard time with quick transition, but it was still proven to us that God gives the increase. We praise God for giving our family this "missions trip." Our children still need a worldwide vision for evangelism even though we live in Korea. Korea is really their home more than a far-off mission field. We thank you all for your prayers and so thankful to report, fruit on your behalf.

## Around Korea

Please pray as we are in yet another time of housing needs. This is really an issue about every two years. Finding a house in Korea for a family of 9 is no small task. God has always provided and we trust he will again. With this, please pray for defined ministry direction. We have so many opportunities that it is definitely more than one family can undertake. We pray daily for God's wisdom and discernment. We ask you to join up in this as well. We truly need spiritual efficiency as there is so much need ever present before us. Also, we will be helping out with another church build. It is great to see churches here in Korea blessed and in need of new facilities.

## Continued Outreach

As many of you know we try to reach out to Koreans not so privileged to live in South Korea as well as those here where we live. Please pray as we develop plans to return to Thailand, now Mongolia, and other countries to reach these dispersed Korean people. There is much going on now that needs your earnest prayer. If you would like more information how you can be a specific part of this outreach, please message me directly and I'd be thrilled to speak with you.

Thank you all once again for standing by our side through your prayer and support for us here in Korea and beyond,

Joe, Kristin, Abigail, Joseph Jr., Jonathan, Vivian, Joshua, Jonah, and Jesse
