## **Praise... 20 years since we began this journey. Praise the Lord!!**

We had been directed by the Lord for several years to pursue training to be missionaries...but it was in 2004 when we received a call to “come over...and help us”. Acts 16 We would early in the next year begin a short deputation to return to Asia.

We look back at these days and are certainly grateful so many things. It has been a true privilege to be a part of “Christ building His Church”.  
Matt 16

Also, we are grateful that all of our children have a sincere desire to serve the Lord and be served of the Lord. Ps 100, Joshua 24...Matt 20, Mar 10.

## **Our BEYOND Ministry, reaching out to the strangers scattered... 1 Peter 1:1**

**Connecting the dots....** Over the past 20+ years of ministry and ministry preparation we have met, ministered to, and been mentored by many people. It’s amazing to us how God puts this all together.

What we saw as failure, the Lord has made a strength.... II Corinth 12. We have been working what we now call the dark street ministry for many years. Displaced, scattered, strangers, people one street behind the main road. The people that just don’t fit...many times foreigners, but also internationally minded Korean people.

This is where the Lord has us **connecting His dots** so to speak. Korean missions is number one in most other Asian and southeast Asian countries. There are some difficulties with this as they are primarily Humanitarian in nature. We have taken knowledge from Korea to other Asian countries to help correct this problem and move **already in place laborers** to reach out for the eternal in people’s lives rather than just the temporal.

There are many details to this, and if you should desire more information, I would love to discuss it with you personally... please feel free to arrange a phone call... I would sincerely enjoy it.

But what this is requiring, is that we do a little bit more traveling. For example, we have been **slowly assisting Asian Mission Baptist Church, Thailand to build a strong grace-based ministry** rather than a works based or performance-based ministry. There are 3 more church build possibilities coming very soon as well. We would appreciate your prayers for wisdom in this. These are exciting days as we expand our outreach laterally with what God has trained us for.
