Missionaries to the “strangers
scattered throughout”

1 Peter 1:1...Acts 15

A look back at
July-September 2023

Prayer requests.... I generally don't lead out with a dialogue of prayer requests. I generally leave that for a bullet point sidebar, but I do believe that this is the update needed.

As missionaries we seem to always feel the pressure to forge forward...many times to the neglect of personal/family/practical needs. Also, we feel the need to always share the “romantic side” of missions...that which all like to hear. (I'm guilty as anyone)

Sometimes the update is not so exciting. We are always pushing ahead but sometimes our aging bodies or real situation make decisions for us.

Currently, we have several opportunities awaiting the completion of these pending issues. We are in need of repairing our house from some storm damage of the past (About 70% still needed) and also we are in need of taking care of some health issues. We feel this must be accomplished in order... please pray with us. *If you should need detailed information, please contact me!!*

Prayer Requests

- Our children as they seek the Lord's will for service.
- Jonathan and Vivian in college
- Clear ministry destination in these transitional days
- Immediate need for House repair (very expensive)
- Dental and VA health needs
- Provision for past travel needs (many added expenses)

Our BEYOND Ministry, Reaching out to the Strangers Scattered... 1 Peter 1:1

Asia Specific... Again not the romantic side...but we were recently notified that one of our church plants has been “scattered.” The local government took the land where the people were meeting. We thought this was failure to keep “tabs” on the locals' coordinating things. **But GOD!** The people went back to their respective home areas...most of which do not have the gospel and two young men out of that mission work are now preparing for the ministry. So, what we felt as failure was a reminder to care for those that we have “preached the word of the Lord to” **Acts 15: 36 And some days after Paul said unto Barnabas, Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do.**

We believe the Lord has recently clarified to us, very much, the need to spend time with those we have preached to and before starting anything else spend time as Paul vs 41b “.confirming the churches.” **We are grateful for the Lord's patience and for doing a great work, despite us sometimes!!**

God Provided!!

For land and an orphanage house that's been in the works for years!

I've been sharing a request for future sustainable land for several outreach ideas.

I want to give a report that another missionary has stepped in and began to work this need.

Land has been purchased...An orphan house has been bought and is being remodeled.

Praise The Lord!!
