

New Church Building!

Ministry Update!

Due to the Covid-19 restrictions we needed to find a building. We did and have been blessed with 18-24 people weekly, with 15-20 more each week reached with personal Bible studies and counseling. With the new distancing restrictions (that probably won't go away soon) we are needing more space. Another space is open next to our current one. We signed on that by faith and can move in next month.

Praise God...the house project has been completed! We are grateful!

Outreach Opportunities!

There has been a change in receptivity concerning face to face tract distribution. We have had to adapt as everyone else. So, we are setting up weekly meetings with local families which has worked very well. There is a restaurant and coffee shop in our same building. Jonathan has had 7 teens for his Friday "game night." We then meet the parent's upstairs for deep, personal Bible studies. It truly has been a blessing. www.ebc2-0.com

Praise/Prayer Requests:

- Abigail finished her CNA training.
- Joseph returns to college for his Junior year.
- Needs for the new church plant.
- Those attending EBC Dongducheon. 18-24 weekly!
- Ministry difficulties due to the Coronavirus scare. (Restrictions changing weekly!)
- Jonathan has graduated. Seeking the Lord's will!
- Kristin's meetings with several ladies each week!

Church Building needs!

As mentioned, we did need to get a building before we had planned. The current people attending are able to cover the rent and renovations, but we could use help with the large deposit. If you have followed us for any time you know this is consistent with Korea. Please pray as we will need to provide this by the first week of September. We are excited as we will all get to see the Lord work once again.
