

### Ministry Update!

Last update we were looking for a building to meet in. With all the restrictions we needed more space to keep the distancing regulations. The room we were able to rent is about 533 Sq Ft. Space in Korea is very expensive, so we are grateful for any space. This is a very good area and first floor. Rarely do you ever get first floor for a church. We are however full now and will rent another room in the building.

### Outreach Opportunities!

The past several months there's been a very negative response to face-to-face encounters of any sort. Only recently we have started again going out passing out tracts and sharing the Gospel with random people. Many things have changed with all the panic, fear and restrictions. However, we will, as you all, just adapt and keep moving forward. Lately we have been getting the Gospel out to hundreds of people and also weekly Bible studies [www.ebc2-0.com](http://www.ebc2-0.com)

### Praise/Prayer Requests:

- Abigail for continued guidance as she works and serves in Alaska.
- Joseph returns to college... Junior year.
- Needs for the new church plant.
- Those attending EBC Dongducheon. 18-24 weekly!
- Ministry difficulties due to the Coronavirus scare. (Restrictions changing weekly!)
- Jonathan has graduated. Seeking the Lord's will!
- Kristin's meetings with several ladies each week!

### Church Building needs!

We did rent the other room in the same building. Please pray as we will need to pay the remainder of the deposit money. We have had many visitors but please pray as we do not have any regular people committing to stay. Many attend other churches but love our Bible teaching and Hymn music. Churches here have strong family ties so leaving for any reason is very difficult. We do praise God for regular visitors though.
